Reviews & Testimonials

"I love your videos, they're very helpful and I use them all of the time. I think that every skin care therapist, even though they have experience, can benefit from these videos since there is so much useful information. I really admire Aesthetic VideoSource for their business." Florita S, Hawthorn Woods, IL.

"Aesthetic VideoSource put me back into business by providing an affordable product that actually teaches you how to do the procedure." Richard L, Florida

"You have the best videos! It's like being right there in class." Katherine B, California

"I love your fabulous videos, they are high quality." Lidia K, Germany

"The customer service is #1. Keep up the good work." Juliette N, Illinois

"I truly love the massage videos--they've truly boosted my knowledge ..." John B, Arizona

"Very impressed with your educational resources." Ameera D, England

AVAILABLE STREAMING COLLECTIONS

Master Academic Collection *[Best Value]* **Titles: 93 full-length videos 164 hrs**

This rare collection is the largest available resource out there to complement any academic institution's aesthetics, cosmetology or massage program. Thanks to our decades of producing high quality instructional video content, we provide multidisciplinary institutions and college libraries with vibrant selections of titles in aesthetics, cosmetology, massage therapy, medical spa, skin care and nail technology training.

Aesthetics Collection

Titles: 47 full-length videos 73 hrs

With video titles spanning facials, facial massage, spa treatments, wet room treatments and hair removal, these videos include the basics as well as advanced techniques and procedures, equipment use, product selection, business building and marketing techniques.

Medical Spa & Skin Care Collection

Titles: 31 full-length videos 52 hrs

The most comprehensive library of any medical spa and skin care streaming video collection available – designed to prepare students, aestheticians and nurses for long term success in the fast growing medical spa and skin care profession.

Cosmetology Collection

Titles: 42 full-length videos 72 hrs

This vibrant selection of titles covers up-to-date step-by-step instructional techniques for the creative design, cut, color and style in the exciting field of hairstyling. Your students will learn the latest techniques and trends in eyelash extensions as well as advanced makeup artistry including daytime, evening and mineral makeup.

Massage Collection

Titles: 28 full-length videos 55 hrs

This vast collection of step-by-step videos demonstrates massage therapy techniques in Eastern and Western modalities. Topics include deep tissue, Swedish, myofascial, cellulite massage, Thai massage, craniosacral, reflexology and reiki, with enough range to suit the needs of both basic and advanced courses in professional massage.
